Preamble to the Constitution of The American Legion

For God and Country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America; to maintain law and order;

to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our associations in all wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.
